Cliftons Fresh Dietary Policy

At Cliftons, we understand that food quality and variety plays an important role when deciding on a venue provider for your attendees.

All **Cliftons Fresh** venues have clear labelling to identify dietary groups and cater for common requirements and allergies.

Dietary requirements outside of the below, can be discussed with our staff to determine if an alternative is available.

ALLERGENS

Cliftons provides alternatives for the most common food allergies, these being:

- Gluten Free
- Dairy Free
- Peanut Free
- Vegetarian
- Vegan

Outside of the above list and due to the vast nature of allergies and dietary requirements, not all allergies can be met. Please speak to a staff member if you have any questions.

KOSHER MEALS

(not available in QLD, SA and Wellington NZ)

A kosher meal provided by a third party caterer can be provided with at least 48 hours notice. Prices vary by location and your customer service representative will be more than happy to quote for your requirements.

Customers that have severe allergies or dietary requirements are encouraged to bring in their own meal. Onsite staff will be happy to store (refrigerate) and reheat (microwave) the food for the customer at no charge.
